JUDGE DIEHL

FINAL REPORT AND APPLICATION FOR FINAL DECREE

COMES NOW the Debtor in the above-styled case and files this final report and application for final decree as follows:

1. This Chapter 11 case was confirmed on March 26, 2008. A copy of the Order of Confirmation was served on all creditors and parties in interest. The order confirming the plan of reorganization has become a final order as no appeal has been taken by any party.
2. The Debtor has begun distribution of funds to its creditors pursuant to the Plan and has paid, or made arrangements to pay, all administrative expenses awarded by this Court.
3. The Plan has been substantially consummated within the contemplation of 11 U.S.C. §1101(2).
4. Except for the entry of a Final Decree, all matters over which the Court has retained jurisdiction have been completed.
5. The Debtor requests that the Court make appropriate provision for a permanent Order restraining all creditors or claimants against, the Debtor from pursuing or commencing, or attempting to pursue or commence any suit or other proceeding at law or in equity against the Debtor, or against any of its assets, which any such creditor or claimant may have had in, to, or against the Debtor or any of its assets at the time of the filing of the Debtor's Petition under the Chapter 11 of the Bankruptcy Code, except with respect to claims, rights, or interest arising under the Plan or Orders of this Court.

Wherefore, Debtor prays for relief as follows: that a Final Decree be entered herein; that said Final Decree discharge the Debtor from all debts and liabilities, and terminate all rights and interest of

creditors of the Debtor, except as provided in the Plan and in the Order entered March 26, 2008 confirming the Plan; that such Final Decree make such provisions as are proposed herein by way of injunction and close this estate; and for such other and further relief as the Court may deem just and proper.
